Privacy Notice on the Processing of Personal Data pursuant to Articles 13–14 of EU Regulation 2016/679

Data subjects concerned: Website visitors.

Gea S.r.l., in its capacity as Data Controller of your personal data, pursuant to and for the purposes of EU Regulation 2016/679, hereinafter referred to as the "GDPR", hereby informs you that the aforementioned legislation provides for the protection of data subjects with regard to the processing of personal data and that such processing shall be carried out in accordance with the principles of fairness, lawfulness, transparency, and protection of your privacy and rights.

Your personal data shall be processed in accordance with the applicable provisions of the aforementioned legislation and the confidentiality obligations provided therein.

Purposes and legal basis for processing.

In particular, your data shall be used for the following purposes relating to the implementation of measures connected with contractual or pre-contractual obligations:

- technical and functional access to the website: no data is retained after the browser is closed;
- statistical purposes and analysis of website browsing activity and users.

Methods of processing.

Your personal data may be processed in the following ways:

- by means of electronic computers using software systems managed by third parties;
- by means of electronic computers using software systems managed or programmed directly; temporary processing in anonymous form.

All processing activities shall be carried out in compliance with Articles 6 and 32 of the GDPR and through the adoption of the appropriate security measures provided for therein.

Your data shall be processed solely by personnel expressly authorized by the Data Controller and, in particular, by the following categories of authorized personnel:

- Management;
- Programmers and Analysts;
- Administration Department;
- Sales Department;
- Marketing Department;
- Technical Department.

Disclosure.

Your personal data shall not be disclosed or disseminated in any way.

Your personal data may also be transferred, exclusively for the purposes indicated above, to the following countries:

- EU countries;
- United States.

Data retention period.

Please note that, in compliance with the principles of lawfulness, purpose limitation and data minimization pursuant to Article 5 of the GDPR, the retention period for your personal data is:

- established for a period no longer than that required for the provision of the services.

Cookie management.

Should you have any doubts or concerns regarding the use of cookies, you may at any time prevent their installation and reading, for example by changing the privacy settings within your browser in order to block certain types of cookies.

INFORMATION

Since each browser — and often different versions of the same browser — may differ significantly, if you prefer to manage cookies independently through your browser settings, you can find detailed information on the necessary procedures in your browser's help guide.

For an overview of how to manage cookies in the most commonly used browsers, you may visit www.cookiepedia.co.uk.

Advertising companies also allow users to opt out of receiving targeted advertisements, if they so wish.

This does not prevent cookies from being set, but it stops the use and collection of certain data by such companies.
